Celebrate 45 Years With Us

Come celebrate the 45th Anniversary of the GWBHS by unlocking some history mysteries with your family and friends inside the museum. Then go outside to try your skills at the farm chores course and lawn games to enjoy some old-fashioned fun. What will you find at the archeological dig? Will it be nature made or man-made? Stop by the photo area to get a picture with the buggy in period clothing. Visit the soda jerk to get a Boston Cooler or Brown Cow! Popcorn and water will also be available.

While sipping on your floats enjoy the hit music of 1974! Visit our re-enactors demonstrating the grindstone and spinning wheel. Finally, try your skill with some arcade games like: the Beach Ball Toss, Clown Tooth Toss, or Carnival Dartboard. Check out the displays to find out what was happening in the world, country, state, and local area in 1974. It was a time before personal technologies changed our lives forever. What will you discover at the museum?

COME CELEBRATE OUR 45TH ANNIVERSARY!

**Sunday, September 8, 2019
1 - 4 PM**

Enjoy ice cream floats, the music of 1974, and some old-fashioned fun for all ages at Orchard Lake Museum!

What was happening in 1974?

By Linda Kidd and Carol Fink

Instead of internet, cell phones, and GPS, people used books, phone booths, and paper maps. Ford and General Motors were making smaller cars due to high oil prices and foreign competition. The price of gas was \$0.42 a gallon. DVD, VHS, and DVR existed only as ideas in the minds of their inventors. Everyone was sure to watch their favorite shows when they aired. Gerald Ford became the 38th president when Richard Nixon resigned due to the Watergate scandal.

Something special was going on in Greater West Bloomfield in 1974. In the Orchard Lake area, a group of citizens began to plan for the future by honoring and preserving the past. On January 28, 1974, about 50 residents and local leaders met at Abbott Middle School to discuss the preservation of the natural beauty and history of the area. They named the organization the Orchard Lake Scenic and Historical Society.

They elected Reverend Walter J. Ziemba as president and Mel Rycus as vice-president. Frances Gadd was the secretary and Doris Bonneville was the treasurer. Other board members included: General Frederick S. Strong, Jr., Rita Spiteri, Dr. R. Garvelink, Agnes Patterson, and their youngest member, Sam Stephan, age thirteen.

Their plans included researching the history of the Michigan Military Academy, Apple Island, Our Lady of Refuge Parish, Orchard Lake Community Presbyterian Church, Orchard Lake Village, and the subdivisions of Roger's Grove and Shady Beach. Thanks to their foresight and much hard work through the years, Greater West Bloomfield Historical Society exists and is able to share the history of these places and more today.

From the Desk

of President Gina Gregory

Summer 2019 was very busy and rewarding in so many ways!

Recent Events

The **Apple Island National Register of Historic Places Celebration** was a success, thanks to good work by the planning committee. Those who attended had glowing remarks -- Bill Bertakis: *The skit was great, informative and entertaining.* Pam Zajac: *I learned some interesting things about Apple Island that I hadn't known before!* Deb Macon: *This inspires Michigan Week Committee members. The program was awesome.* Barb Krause: *This was the best program that GWBHS has ever done!*

125 people attended the event in a venue highlighting the beauty of Orchard Lake (Orchard Lake Community Church, Presbyterian). The song *Apple Island Legend* was played on a wooden flute, followed by an original historical skit, which brought Apple Island's colorful history alive. Recognition certificates were presented by local dignitaries. Many thanks to the to the planning committee for a producing a memorable event!

I visited with Charles H. Martinez, archaeologist and author of *Song of the Heron: Reflections on the History of West Bloomfield*. When I told him of the Apple Island designation, he was deeply touched, saying, "If any place deserves to be on the National Register, it's Apple Island." He's right! I've wondered what this designation means in a broader sense. What I see is national recognition that this island is a special place - what we've always shared with guests! GWBHS members and the community celebrated this recognition and what GWBHS offers - a look at our unique local history! This recognition gives Apple Island history national credentials!

Apple Island Tours were successful with good weather, great presenters/volunteers, more sponsors, the new national recognition, and a newly installed boulder monument on Apple Island! It was a weekend of many memorable moments!

Our annual **Appreciation Reception** gives members time for conversation, refreshments, and opportunities to win prizes donated by local businesses and fellow members. Please see the Thank You page for recognition of these donations.

Open Houses: The OH/MI Border Dispute, Paper Doll Cut-outs, and Sleeping Beauty spinning wheel were all interesting topics! We appreciate volunteers who share their collections. Do you have a collection you'd like to share?

Support Updates

We have been looking for new ways for members of the community to show support for our projects and programming. Our second **Annual Appeal** to members and an **Orchard Lake Appeal** to waterfront property owners provided opportunities to donate to the GWBHS initiatives of their choice. We appreciate this support from members and residents!

A new GWBHS **Donations & Planned Giving** brochure provides information about another way to support GWBHS and leave a permanent legacy. The reach of this organization would be much different today without the bequest support of past GWBHS board president and member, Frances Gadd. Please remember GWBHS in your financial planning. Donations and Planned Giving of any size help.

We have learned that when we "ask", we give businesses the opportunity to say "yes!" We have expanded our **Business Sponsorship** opportunities and local businesses are showing their support. Please let them know you appreciate their GWBHS support (see the Thank You page for a list of sponsors).

We are honored to receive **Memorial Donations** honoring family and friends.

GWBHS board members are pleased to have the 12-hour monthly **Office & Activities Coordinator** and **Apple Island Tours Coordinator** positions filled by Ms. Cory Taylor. Her support gives me the opportunity to focus more on presidential tasks. Cory coordinates volunteers, supports activities, and works during every Open House. Her skills learned at West Bloomfield Township Public Library and Wayne State University (Master's Degree in Anthropology) are put to good use.

A **Special Projects** list was recently developed to better track all those great ideas that just don't have available funding at the moment. These special projects will move forward when funding becomes available.

Award Highlights GWBHS Education Programs That Have Reached 10,000 Students

Dr. Seymour Gretcko Youth Advocate Presented During Michigan Week

By Gina Gregory

At the 47th Greater West Bloomfield Michigan Week Community Awards Breakfast GWBHS received this highest youth education award. We appreciate this important community recognition of Society youth educational activities. Our involvement with student education is extensive.

- Over the years, 10,000 students participated in GWBHS group tours
- Since 1979 GWBHS offered all West Bloomfield School District (WBSD) second grade classes, and other interested groups, volunteer docent-lead tours to Apple Island and the Orchard Lake Museum.
- Since 1982 GWBHS volunteers lead Apple Island annual public tours for children and adults.
- For over ten years, docents have led Museum tours for Bloomfield Hills kindergarten classes.
- In 2016 colorful "Our School History" panels depicting school history were created and placed in each West Bloomfield School District building. The history of early education was documented in a series of reports and is available at gwbhs.org/our-school-history/
- Monthly open house museum hands-on activities connect people of all ages to activities of earlier times

These educational programs are made possible by volunteer commitments. We appreciate volunteerism through the years:

- Educational materials development: Nancy & Frank Salo, Catherine Cangany, Buzz Brown, Sebrina Borth, Gina Gregory, Amy Clark and Carol Fink.
- 1980-2018 school group docents: Betty Bradbury, Sebrina Borth, Buzz Brown, Catherine Cangany, Gwynne & Jim Cherfoli, Amy Clark, Gina & Rob Gregory, MaryAnn Lisac, Don Newman, Michael Palermo, Patrice Steele, Paul Thwaite, Frank & Nancy Salo, Tanya Sharon, Larry Weisman.
- 2019 school group volunteer docents: Gwynne Cherfoli, Carol Fink, Christy Forhan, Rob Gregory, Michael Palermo, Patrice Steele, Paul Thwaite, Larry Weisman
- Our School History: Online reports of public school beginnings to the 1930s by Amy Clark, Helen Jane Peters, Helen McAllister, Molly Rozycki, and Sue Williams. School exhibit panels: Christy Forhan

If you enjoy working with young people, we hope you'll consider being a volunteer group tour docent with GWBHS. Docents find the experience rewarding. There are many group tours and we always need more volunteers. New volunteers receive a docent manual, and shadow a group tour. A small stipend is provided. Contact Group Program Coordinator Don Newman at dynamicwest@sbcglobal.net.

Gwynne Cherfoli speaks to students during a second grade tour of Orchard Lake Museum.

New Opportunities for presenting GWBHS topics and sharing your history passions!

West Bloomfield Parks is creating more opportunities for senior activities by opening a Senior Activities Center for centralized senior activities soon in Orchard Mall. There are presentation and class possibilities to consider. Would you like to give a GWBHS media presentation or share your history interests? Would this location provide the perfect setting? A stipend is provided. Contact Gina Gregory, gina@gwbhs.org to explore the possibilities.

GWBHS and Others Recognized for Support of Local History

Looking Back & Looking Forward

Do you have local history items, photos, or memories to share? Remember - if you don't share them, who will? The community history you've seen in your lifetime is worth remembering today, so it can be shared now and in the future. It can be difficult to imagine that items and memories from today will be of interest in the future!

The 1970s will be featured during the 45th anniversary Open House. Especially at milestone anniversaries, board members consider how to better fulfill the GWBHS mission. New opportunities are shared in this issue. Your suggestions, input, and support are vital. What will GWBHS look like in five, ten, or 45 years? Consider sharing your memories, serving on a committee, or volunteering. Contact Cory@gwbhs.org to explore the possibilities.

Technology Update

From Karen Pushie, Database Committee Chair: We are in the final stages of importing information about our memberships and donors to PastPerfect. This will help the Society automate tracking members and donors; it can produce mailing labels or envelopes and mail merge letters. It will be an efficient tool to help track our fundraising activity. We may utilize it to track volunteer activity, also. We're excited about learning the capabilities of the database for these activities. The Museum computer backup hard drive is now securely stored in a fireproof box.
