Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	Glass
Color	Rose
Size	1.75" diameter
ID	Ai-privy-2020-01

What do you think this might be?

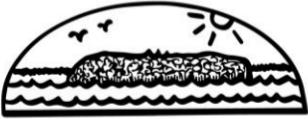

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.
What could this tell us about life on Apple Island?

Material	Wood
Color	Brown
Size	3.5" w x 4" h x 1" d
ID	Ai-privy-2020-02

What do you think this might be?

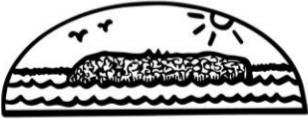

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	Metal (Tin?)
Color	Silver
Size	Approx. 3" diameter
ID	Ai-privy-2020-03

What do you think this might be?

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.
What could this tell us about life on Apple Island?

Material	Metal
Color	Rusted
Size	3" L x 1.5" W
ID	Ai-privy-2020-04

What do you think this might be?

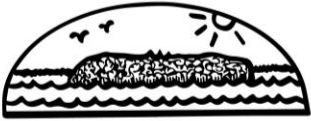

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	Metal
Color	Rusted
Size	10" H x 4" W
ID	Caretaker Cellar-2020-05

What do you think this might be?

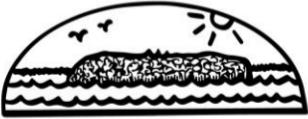

How do you think the family might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	China/porcelain
Color	Cream w blue decoration
Size	Approx. 1" x 2"
ID	Ai-privy-2020-06

What do you think this might be?

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

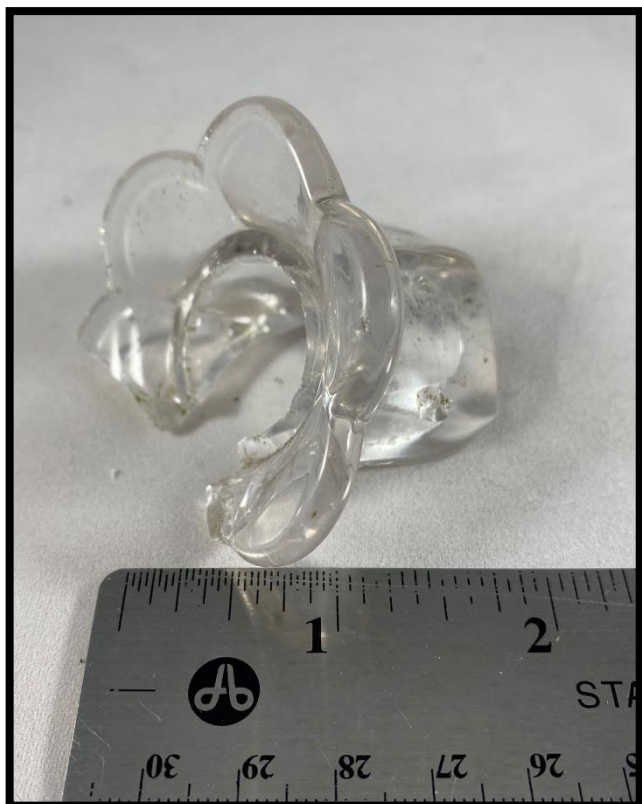

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	Glass/crystal
Color	clear
Size	Approx. 2" x 2" diameter
ID	Ai-privy-2020-07

What do you think this might be?

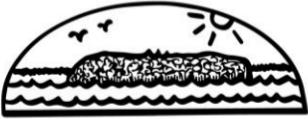

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island

Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	Glass
Color	Clear
Size	Approx. 2.5"W x 6" L
ID	Ai-forrest-2017-08

What do you think this might be?

How do you think the Campbells might have used this item?

Why was it discarded?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island

Artifact Exploration

11

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	Glass
Color	Clear Yellow
Size	Varies (1/4" grid)
ID	Ai-privy-2020-11

What do you think this might be?

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.
What could this tell us about life on Apple Island?

Material	Glass and metal
Color	Clear w yellow substance inside
Size	3.5" H x 2" W
ID	Ai-privy-2020-12

What do you think this might be?

What do you think is inside?

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	Glass
Color	Clear
Size	Approx. 4" diam
ID	Ai-privy-2020-13

What do you think this might be?

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture

Apple Island 
Artifact Exploration

Here is an artifact found on Apple Island. It was left behind from the days of the Campbell Family vacations over 100 years ago.

What could this tell us about life on Apple Island?

Material	Crockery
Color	Cream with dark brown on the reverse side
Size	The curve of the top edge suggests an opening of about 7" diameter
ID	Ai-privy-2020-14

What do you think this might be?

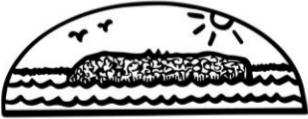

How do you think the Campbells might have used this item?

How did it get broken?

Can you draw what it might have looked like when it was new?

Are there marks on this item that give a clue to its original use?

Use your imagination to tell a story, write a poem, or draw a picture
