FALL 2023 | MEMORIAL SAVED | 50TH ANNIVERSARY | IN MEMORIAM GLEN KING | E. LEROY PELLETIER | SOCIETY PROGRAMS & NEWS

Memorial Saved

On the south side of Walnut Lake Road, on the site of the former Walnut Lake Elementary, a forgotten "Peace Memorial" was threatened with demolition. Through an interesting sequence of events, it was rediscovered, cleaned, reborn, and now saved!

West Bloomfield residents Steve Kay and Bert Green had driven by the site hundreds of times but didn't know what it was or anything about it. Upon closer inspection in Spring of 2023 they realized it was some type of memorial; covered by growth and weeds. There was a plaque with an engraving, a flagpole with no flag, and a small fence in need of repair.

Without thinking about it, they decided to clean it. Early one Sunday morning they brought gardening tools and went to work, cutting down trees and weeds. They trimmed and mowed as the memorial slowly revealed itself. They saw that it was dedicated in 1972 by the Walnut Lake Women's Club. Although neglected, it was overall in good condition. They went to the hardware store across the street and bought some materials to repair the fence, some spray paint, and an American Flag.

What they didn't know is that the site had been purchased and everything was going to be demolished including the memorial since no one knew what it was.

Before

After

As they finished their work, Bert hooked up the new flag on the old pole and rope and slowly raised the flag, for perhaps the first time in decades! When the flag reached the top of the pole, the rope snapped! The flag should've crashed to the ground, but it didn't. The rope somehow wrapped around the pole and made a little knot, and the flag is still flying months later.

Bert and Steve worked with West Bloomfield Township and the new owners of the property and all parties agreed to let the memorial stand.

The inscription on the memorial reads:

*They spoke, I think of perils past
They spoke, I think of peace at last
One thing I remember
Spring came on forever*

They hope to have a rededication ceremony on Veterans Day, November 11, 2023.

Save the Date: 50th Anniversary!

Come celebrate our 50th Annual Meeting on Saturday, January 27, 2024, from 10 am - 12 pm at the Polish Institute! Director John Radzilowski will give a campus update and tour of the 1880s and 2022 classroom buildings. 2024 member door prize drawings. Make brunch reservations by January 23 at contact@gwbhs.org or (248) 518-0871. Polish Institute of Culture & Research at Orchard Lake Schools program partner.

Your Membership Support is Important!

Membership policies and benefits have been reviewed and there are exciting changes planned for the upcoming year.

Our annual collaboration with the West Bloomfield School District for Apple Island Tours is one of the most popular events offered by GWBHS. We anticipate resuming these tours in 2024 (after a four-year hiatus). Your 2024 membership will allow you the benefit of reserving an estimated tour-group departure time! An "Individual" membership level would allow for only one reserved estimated departure time; memberships at other levels would allow for up to six. Those attending the tour without a membership nor a reserved estimated departure time will be scheduled on a first come/first served basis. More information about this benefit will follow in future newsletters.

A reminder of other benefits of membership:

- Free mailed GWBHS History Matters newsletter.
- Free online reservations for some GWBHS programs.
- Invitation to the Appreciation Reception.
- Free participation in Time Travelers, a reciprocal membership network (TimeTravelers.MOhistory.org). More than 400 participating history museums, sites, and societies across 45 states extend member benefits such as free admission and gift shop discounts.
- Free access to Zoom History Hounds Historical Society of Michigan lectures.
- Investment in our community by supporting GWBHS educational programs, Orchard Lake Museum, and our Mission of enriching our communities by collecting, preserving, and sharing history in Keego Harbor, Orchard Lake, Sylvan Lake, and West Bloomfield.

"Thank You" for your continued support and I look forward to seeing you at a future event!

Karen Pushie, Membership Chairperson

From the Desk of President Gina Gregory

When I "look back while moving forward," I see the passage of time for the Society and myself. Greater West Bloomfield Historical Society will CELEBRATE ITS 50th ANNIVERSARY IN 2024! Volunteers are planning new fundraising activities, historical projects to spark community interest, special programs, and more. That's a lot, while maintaining regular collection activities, community event participation, open house hours, media communications, museum exhibits, newsletters, programs, and research. From what I see there aren't any historical groups of our size who are as active.

In 2024 I will begin my 12th and final year as a very active president. New leadership will be needed in 2025 to maintain the level of service GWBHS volunteers have given the community. I will volunteer but not as a very active leader.

How will GWBHS move forward for the next 50 years? For the Society to survive and thrive, the organization needs more support. Guided by Strategic Plans, committees have been looking to increase the organization's strength and sustainability. More volunteers are needed. Only with funding changes can additional staff time provide leadership.

Can the greater West Bloomfield community give more support to GWBHS? Currently, we see donations, fundraising, grants, and memberships as the most viable opportunities. We appreciate the City of Orchard Lake Village's support of the Orchard Lake Museum and see it as viable for now. Please support YOUR community's local history as YOU are able. Consider a donation of support at Silver to Diamond levels! Donate online at GWBHS.org!

Stay tuned for activities, programs, and new resources in 2024. Only Society members will receive mailed newsletters. Renew your membership now! Click on "Join Our eClub" at GWBHS.org to receive GWBHS emails!

Summer Activities 2023

Many collection donations were received and the Research Committee answered nine information requests!

Memorial Day Parade carriage debut!

Updates from Shelby Nelsen Museum & Communications Assistant

Volunteer Lynn Barber enters collection information into PastPerfect

Since March, I have been working with a group of nine volunteers to add photographs and documents to GWBHS's digital collection database which is available free online with these new additions at GWBHS.PastPerfectOnline.com. Volunteers have been doing an amazing job and have digitized

over 700 items so far! The project continues through the end of September thanks to a grant from the Community Foundation of Southeast Michigan. If you are interested in doing this kind of work, please contact me at snelsen@gwbhs.org to set up a time for you to come in.

Updated Research Request Form

GWBHS has had a lot of research questions and requests over the past few months. With a newly updated form we will be better able to research questions. Before submitting a request, please read the "[Research Request Policy](#)" for an overview of the process and what you can expect. Then fill out the "[Research Request Form](#)"

Tim Pawl researching in archives

online via our "[Research Request Google Form](#)" or print and mail it to Orchard Lake Museum, 3951 Orchard Lake Rd., Orchard Lake, MI 4832. If you leave a voicemail at (248) 757-2451, we will call you back and fill out the form with you over the phone. On this form, we will collect your contact information and details about your request. Please fill out this form with as much detail and information as possible, in order for us to help best answer your questions.

You will be contacted when your initial Research Request Form has been processed, which may take up to seven days. At this time, GWBHS may need to collect additional information to complete your request, see if a Research Fee is needed for in-depth assistance, or set up an appointment for you to view requested research materials.

Volunteer Needs

We are looking for Museum Open House Hosts! These volunteers greet and help visitors during our regular Open Houses each month. We will provide training to make sure you are comfortable with all tasks associated with hosting. If you are interested in regularly volunteering for this position email snelsen@gwbhs.org or leave a message at (248) 757-2451.

Development & Fundraising Committee Updates

Christian Sonnevile attended an informational grant writing workshop offered by MotorCities National Heritage Area. Christian and Shelby Nelsen submitted grant proposals totaling over \$70,000. While we've learned it's difficult to read between the application lines, we were successful with two applications for \$9,100 and \$ 2,500, and we hope to be successful with a few more in 2023.

In Memoriam: Glen King, 1940 - 2023

Glen King

Volunteer Glen Alan King will be missed. We remember him as an Apple Island Tour volunteer, 2005-2018, cheerfully greeting guests on the island dock while helping guests exit and board pontoon boats. Glen also helped plan, set up, evaluate, and recommend Tour improvements.

His wife Pat remarked the highlight of his summers was being on the island where his parents spent their honeymoon as part of the Campbell family. After he retired, Glen enjoyed getting back to the island, looking for artifacts, and learning more about its history. He donated his family archives about Apple Island to GWBHS.

He received the GWBHS President's Merit Award 2018 in appreciation of his Apple Island interest and years of Apple Island Tours volunteerism. He, with his wife Patricia, sponsored the Apple Island Exhibit in 2021. During the next Tours, a group of friends will remember him while on the island. He is buried at the Great Lakes National Cemetery.

E. LeRoy Pelletier Adventurer, Journalist, Automotive Pioneer, and Gentleman Farmer 1868-1938

Known as LeRoy, he is not as well-known as the older settlers of the area, like the Dow and Ward families. He was one of the original Orchard Lake Village residents, back when only 80 families called the area home. LeRoy was a man of great vision and showmanship.

Henry Ford & LeRoy Pelletier

In my earlier research and presentations of his life, we found him traveling to the Klondike with adventurer and author Zane Grey to report for the New York Times about the "Gold Rush". He was the first journalist on the spot.

Later he came to Detroit and went to work for Henry Ford as his first Advertising Manager. In 1908, after helping successfully launching the Ford Model T, LeRoy left and moved across the road to join the EMF Co., then later Studebaker in the same marketing capacity.

LeRoy's Property

In the early 1900's, he bought 175 acres from Peter Dow between Orchard Lake and Cass Lake off Commerce Road. It's known today as Cass Lake Woods, a West Bloomfield subdivision of 125 homes on the north side of Commerce just west of Marshbank Park.

Early in 2022, I was given a newly discovered correspondence dated

August 5, 1935 between a Detroit Free Press reporter and an Editor of The Architectural Forum Time Inc., regarding his most recent experiments with a concrete floating airport runway. Such is the life of a man who never thought in small ideas. Where did he experiment? Cass Lake, Orchard Lake? Little is known of his exploits in this area.

LeRoy's Barn

LeRoy's Woodcrest Farm was not the usual early 20th century acreage, raising crops, sheep or cattle. He had a prized herd of over 250 Shetland ponies, the largest herd in America. He also raised Holstein cattle and sold the champion, Dora Del Kol to the Emperor of Japan. Edgar Guest, the Free Press writer and Michigan Poet Laureate, was a regular guest at the farm and wrote many poems about the tranquility and solitude of the lakes area.
